

WASAGA BEACH MINOR HOCKEY

Dear Hockey Family,

At the end of our second Silver Stick Weekend, I want to take some time to share with you some important information.

Here are the headlines—check out the details below

Silver Stick is back!

Concessions are OPEN!

Tim Hortons

Oh my! There's Timmies?

COVID-19 cases increasing: how to help stay safe

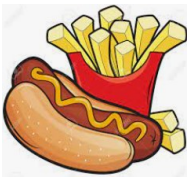

Silver Stick is back!

Our first hosting in two years of Silver Stick went amazingly well! Players, coaches and spectators had a great time watching the good ol' game of hockey in a safe and secure manner. We were only able to host these sort of events with your help — thank you for stepping up and volunteering to help.

Please ensure that you continue to do so for our upcoming events on Dec. 10-11 and Dec. 18-19.

Concessions are OPEN!

For those of you who have an upcoming Silver Stick tournament, remember concessions are OPEN! We are pleased to have been able to facilitate this with the town. Proceeds generated by these concessions go right back to our hockey organization. Bring your toonies and loonies to support a great cause — the WBMHA!

Remember, concessions are to remain upstairs!

Oh my! There's Timmies?

Tim Hortons

Our local Tim Horton's has stepped up in support of our fundraising efforts for the new Twinpad Arena and Library Project. They are providing us with coffee, tea and treats over Silver Stick weekends — how awesome is that?! Please donate when grabbing a treat in support of our new facility!

COVID-19 cases increasing: how to help keep our hockey family safe

COVID-19 case numbers are currently on the rise in our area and we need your help to ensure we can continue to play hockey this season.

- Take a [COVID-19 self-assessment](#) prior to coming into the arena
 - Stay home if you are feeling sick
 - Wear your mask and use provided sanitizer
 - Socially distance yourself from others in the facility whenever possible
 - Follow health unit directions if you have symptoms or have come in contact with someone who has COVID-19. Click [here](#) for a great resource to determine what to do if you or your family has symptoms or has tested positive.
 - Please review the attached document with details policy regarding Covid
- Together, we can work together to keep our hockey family safe!

Thank you for your continued support and a great start to the season!

- Ralph
