Rev. 1

Synopsis of Change

Revision 1 is issued to clarify specific dates and terms used in the By-Law 1. The revision does not alter the essence of By-Law 1 ratified by vote but simply serves as clarification to pre-existing text.

Revisions

In the definition section of By-Law One, the term "Operating Year" had been defined but not used elsewhere throughout the document. This has been corrected by inserting Operating Year as Article 15 (and consequently renumbering the remaining articles). In addition, the period of the Operating Year was changed from 01 July – 30 June to 1 May to 30 April. The change in definition has been included on page 2 of By-Law 1. This change in the period more accurately reflects the natural operating cycle of the Association.

With respect to Article 8 “Executive Committee”, specifically 8.2, the text refers to term of office for members of the Executive Committee. The term of office is election to election however, WBMHA does not have a specific date each year for it’s AGM and subsequent elections. Consequently, if strictly applied, turnover of the Executive could occur at anytime during the month and change from year to year. In order to provide consistency and eliminate possible confusion, “term” has been further defined to mean the period of 01 April to 1 May annually. To reflect the definition, paragraph 8.2 (e) has been added to By-Law 1.

Rev. 2 Synopsis of Change

Revision 2 is issued to reflect a change in position name at the request of the OMHA for the OMHA Convenor and Local League Convenor. These positions are renamed OMHA Centre Contact and Local League Centre Contact (used interchangeably with Local League Contact herein). None of the duties or responsibilities have changed, only the name. The name change is driven by the OMHA who have requested member centres refrain from using the word Convenor as that position name is used to identify specific positions with the OMHA itself and thus has the potential to create confusion when member centres use it also.

Rev. 3

March 26, 2009 Synopsis of Change

Revision 3 has been issued to reflect the acceptance of the majority vote of the Membership at the March 26, 2009 Annual General Meeting. These changes include job descriptions & titles of Executive Committee Members including the renumbering to reflect the deletion & merging of the Privacy Officer with the Risk Management Officer (Article 8.1 c & 11.1 b-t) as there was duplication of duties shared by these and other positions. Executive Committee Members have been renumbered to better reflect the sequence of those who are to be voted & those who are appointed to their positions.

The order of succession has also been reflected in the renumbering of the positions.
