

Wasaga Beach Minor Hockey Association Bond Program 2025-2026 Season

The purpose of the Wasaga Beach Minor Hockey Association (WBMHA) Bond Program is to encourage all association members to become actively involved in the organization, not just at a team level. The goal is to foster member involvement in their players' hockey journey.

Many of WBMHA members are unaware of the volunteer work that is necessary to manage successful hockey programming. The WBMHA Board of Directors maintains that the Association is only as successful as its volunteers and looks to encourage its entire membership to be actively involved in the operation of the Association. This updated bond program is being introduced to encourage all members to step forward and help. Time commitment is reasonable and substantially benefits the entire hockey community

There are many volunteer opportunities available and training will be provided if needed!
